NOTE NOT DESIRED

some time after the cabinet had begun its session. The note is about 1,000 words long. The state department has not yet decided when it will make it public

Preparing Reply. After the adjournment of the cabinet, officials of the state department began the preparation of this government's reply.

Army and navy officials have already considered the possibility of war between Austria and the United States. The best opinion among the experts is that the first movement on the part of this government would be to send a naval and military expedition to Salonika. Some of the naval experts, however, said that the proper objective would be
